

# **5 Steps to Win the Heart of a Russian Woman**

**There are a few things you'll need to keep in mind if you want to win the heart of a Russian woman. If you're interested in doing so, read on.**

**The following are five stages that will assist you in your journey:**

## **1. Be a gentleman.**

**Chivalry is neither dead or dying in Russia; quite the contrary. Be sure to hold doors open for her, offer her flowers, and treat her with the utmost deference at all times.**

## **2. Be patient.**

**Do not have the expectation that she would immediately give you her wholehearted devotion. It takes time to build trust and intimacy.**

## **3. Be honest.**

**Honesty is the most important quality to Russian women. Don't be dishonest or try to mask your actual intentions by playing games.**

## **4. Show some passion.**

**Romanticism is a trait that is commonly associated with Russians. To woo her, you should shower her with attention by showering her with love notes, sending her flowers, and engaging in other big gestures.**

## **5. Be persistent.**

**Even if she rejects you the first time, you shouldn't give up hope. Keep giving it your best shot, and she'll finally see the light.**

**So follow these 5 steps and you'll be on your way to winning the heart of the Russian woman of your dreams!**
